

LARDIS:ONE 7

Disabling the warning message on the LARDIS:ONE 7 (Garmin Fleet 7xx)

As a LARDIS:ONE 7 user, you can order the article "Deactivation of the warning message in LARDIS:ONE/PILOT" from your specialist dealer. You will then receive a chargeable activation key and instructions for deactivation. In this way, both the profile selection and the warning message are deactivated.
